8.62/10 GPA

2017 - 2018

### Higher Secondary Education

Kirti M. Doongursee College,  
Mumbai

## WORK EXPERIENCE

2022 - Present

### Capgemini

Analyst / Software Engineer

2020 - 2021

### CP Constructions

Freelance Work of Web Development

The project included designing, coding, testing, and launching a website that would help the company reach a wider audience. I was able to use my creativity and skills to develop a website with a unique look and feel. The website was successful in helping the company achieve their goals and expand their reach.

2019

### Galaxy UPS

Summer Intern

I had the chance to work on a variety of projects related to network and web development, from setting up networks and developing web applications to troubleshooting and debugging existing systems.

## PROJECTS

### • **Awesome React Native**

This helps developers build high quality web and mobile apps using react. This website provides a variety of posts with code snippets of components and tutorials about react native.
